### Information about your CIBC Dividend Visa Card account

If you find an error or irregularity (including possible unauthorized or fraudulent Transactions) in this statement you must tell us within 30 days of the last day of the statement period shown on the front of this statement. If you do not, we may regard this statement as Final (except for credits which have been posted in error).

How we charge interest: a) On Purchases: If interest is charged on a Purchase, it is charged retroactively from the Transaction date until we receive a payment which covers the Purchase, as described in the Applications of Payment sections of the Corplakate Assense

on a Purchase, it is charged retroactively from the Transaction date until we receive a payment which covers the Purchase, as described in the Application of Payments section of the Cardholder Agreement.

b) On Cash Advances, Convenience Cheques or Balance Transfers: Interest is charged on Convenience Cheques and Balance Transfers from the date they are taken. Interest is charged on Convenience Cheques and Balance Transfers from the date they are posted to the credit card account. We stop charging interest on the day we receive a payment which covers the amount of the Cash Advance, Balance Transfer or Convenience Cheque, as the case may be, as described in the Application of Payments section of the Cardholder Agreement. Payment period extensions: If we did not receive a full payment of the Balance on your last monthly statement, your payment due date was automatically extended this month to give you extra time to make your payment. Interest will continue to accrue for the extended period. When we receive your full Balance, your payment due date will change back to your regular payment due date, which is at least 21 days after the statement date.

\*\*Foreign currency Transactions, except Convenience Cheques, are converted to Canadian dollars on or after the Transaction date and no later than the Transaction posting date. At the time of currency conversion, you are charged the same conversion rate CIBC must pay, plus a fee of 2.5% of the converted amount, on both debits and credits. A foreign currency Convenience Cheque or payment is converted at CIBC's branch selling rate for Canadian dollars in effect at the time it is processed by CIBC.

†The cash limit forms part of the credit limit. They are not additive.
